++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry but rather cloudy.

Today:
A mostly dry and cloudy day with a few brief bright intervals possible, especially for Fair Isle and Orkney. Thicker cloud may bring some drizzle to Shetland in the afternoon. The cool northwesterly breeze continues. Maximum temperature 14 deg C (57 deg F).

Tonight:
Mostly cloudy through the evening and Orkney seeing some mist and drizzle, this will clear south but further drizzly outbreaks likely for Shetland later in the night. Minimum temperature 11 deg C (52 deg F).

Tuesday:
A few bright spells possible but plenty of cloud too, largely dry but some drizzle from thicker cloud, a fresh breeze for Shetland. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Little change, staying largely dry but still a lot of cloud around. Some patchy mist and drizzle at times. Mostly light winds.
